Electrical Asset Preventive Maintenance Services Rebid
PUBLIC BID NO. P-2390

Addendum #1

March 12, 2024

Q.1. Appendix B, Electrical Maintenance scope of work, items B-1.0 thru B-10.0 specify NETA testing, which is Performed by a NETA Accredited Company for independent electrical power system testing, not an electrical contractor which is a conflict of interest. The NETA testing company, the electrical contractors "Subcontractor", is the major part, **at least 80%** of the total cost in the bid form page B-106, item #1 Maintenance service totals. Item #23, page IB-7 requires listing all subcontractors on the bid form and provide N.J. Business Registration & Public Works contractor registration certificates.

Can the bid form be amended to provide a place for naming subcontractors, the NETA testing subcontractor, or an addendum to list the subcontractor, address, and N.J. certificates.

A. 1. Please see page B-128 of the bid, for above requested information. FORM 00310 LIST OF SUBCONTRACTORS has been added to this addendum, please fill out and return with your bid.

**PLEASE BE ADVISED THAT THE BID DATE HAS BEEN CHANGED TO
TUESDAY, MARCH 26, 2024, AT 10 AM IN ROOM A-231.**
